Rosie Roberts

Rome, Italy, on this twenty-first day of March, two thousand and twenty-four.

Mary Merva, Vice President and Dean of Academic Affairs

Gina Marie Spinelli, Executive Coordinator, Italy Reads

Italy Reads is a program that began in 2009 with The Big Read, funded by the National Endowment for the Arts and designed to restore reading to the center of American culture. John Cabot University sponsors Italy Reads to promote the reading of American literature in Italian high schools and the English language community as part of our mission to bring cultures together.
